**MAIL ADDRESSED TO YOUR CHILD:**

Your child will be thrilled to receive mail from you. **Please take the time to write to him/her, making sure that the child's name and the number of the tent are clearly marked on the envelope.** If you wish, you can send a letter by mail. It is also possible for you to send e-mail messages, however, please do so before 10:00 am, and they must be limited to a **written text only**. Virtual cards, pictures or drawings will not be printed out and forwarded to your child. It is a pleasure for us to distribute mail to your child each day after lunch. **Please prepare self-addressed envelopes with stamps so that your child can write to you about his/her experience at camp.**

**To prevent allergies:**

No food or snacks in the luggage or sent by mail.

**Between-session breaks:**

This is offered only to campers registered for **two or more consecutive 2 weeks sessions** who have reserved ahead of time. You will be billed an additional fee of \$400.00 per child and each item of clothing must be identified for the laundry services.

**Laundry services:**

This service is not available for campers registered for one session only. However, if for any reason we need to machine-wash your child's sleeping bag and/or clothes, fees will be charged at the time of departure.

**Clothing Identification:**

ALL clothing must be identified with the child's name to prevent loss. All identified clothing will be returned to the child during the day.

**Pocket money:**

Campers do not need pocket money for snacks. Instead of vending machines, we give our campers 2 snacks a day, mid-afternoon and after the evening program.

**Telephone calls:**

During the summer, from June 18 to August 19, Camp Claret's administration office is located at Lake Elgin. For further information, please call (418) 443-2213.

**Medicare Card, account statement, medical form and personal profile:**

Upon arrival, please report to the office (Accueil) with your child's **Medicare card** and **paid account statement**, and there you will be given the number of his/her tent. The next step is to find your child's tent and meet the counsellors. The nurse will be waiting near the stone house to collect any medication your child has and will be happy to take note of any special instructions or information you may have concerning your child's well-being. Please note that **ALL MEDICATION** must be turned over to the nurse and identified for each child with the prescription label.

**Reminder :** The personal profile form must be sent to the office prior to the arrival of your child at Camp. Concerning the medical form, you have the choice of filling it out yourself or have it completed by your family doctor and **returned to us by June 1st**. Please pay special attention to possible severe allergies (peanuts, nuts, etc...) and provide us with all the pertinent information and resources necessary. **ANY CHILD WHO DOES NOT HAVE HIS/HER MEDICAL FORM COMPLETED BY THE PROPER AUTHORITIES, PARENTS OR FAMILY DOCTOR MAY BE RETURNED HOME.** Thank you for your cooperation.

**Children's departure:**

Like for arrival, please report to the office (Accueil) to sign the departure form, collect the Medicare card and pay, if necessary, any balance due such as prescriptions, laundry, etc... **If the child must leave with a person other than the authorized parents, we must be notified by telephone in advance or have written authorization from you.**

**Accident insurance:**

Parents wishing to acquire accident insurance are requested to consult a broker of their choice. Please be advised, however, that Camp Claret has the appropriate insurance coverage.

**Cafeteria:**

The cafeteria operates at full capacity at all times. Given the number of campers who arrive with their families, the camp is, unfortunately, unable to provide family members with cafeteria services on arrival and departure days. You can however picnic on the campgrounds.

**N.B.** In the event that two children want to be in the same group, a written parental consent from both parties must be returned to the office. This request must also be clearly stated before June 15 on the registration form. **Please note that these children must be the same age. On arrival day, the children have already been grouped and changes are not possible.**

**HAVE A NICE VACATION!!!**
