## Storage under the bed :

**Size of the bed : width 24 inches X length 72 inches X height 12 inches**

We suggest 2 different kinds of plastic storage boxes that fit under the bed for your child's clothes. You can also use a suitcase or travelling bag, as long as they fit under the bed:

**Maximum height: 11 ½ inches.**

If you decide to also use a 3 or 5 drawer cart that could be used as a bedside table, **the maximum width must be 13 inches.**

## **Identifying clothing:**

All personal items must be properly identified.

We hope that these details will be useful to you in preparing your child for Camp Claret.
